

Would you sleep in your car to end homelessness for families?

For many children and families, their car is their only shelter.

Without a stable place to call home, these families become trapped in a cycle of poverty and homelessness. Since 1987, supporters like you have helped thousands of families achieve lasting self-sufficiency. This November, you can help even more. Join Our House for the fourth annual Wheels4Walls Sleep In — raising funds and awareness to end family homelessness in the Greater Atlanta community.

To get families out of their cars, we need to get you into yours.

Wheels4Walls encourages supporters to spend one night in their car to raise awareness of family homelessness. To show your support while social distancing, this year's Sleep In can take place from your home!

You can also take your support further and become an Ambassador throughout November. Ambassadors will host a peer-to-peer giving campaign with proceeds benefiting Our House. Reach out to your family, friends, co-workers and more to help children and families impacted by homelessness achieve lasting self-sufficiency!
