

# Social Media Tips

On Saturday, November 13, raise awareness of family homelessness with Our House and supporters across the Greater Atlanta. Spend one night in your car and share your experience on social media using #Wheels4Walls!

## Here are some tips to raise awareness of Wheels4Walls on social media:

**1** RSVP to the Wheels4Walls event on Facebook. Share the event and Wheels4Walls posts on your social media channels. Ask friends and family to join you at the sleep in.

**2** Post pictures of yourself and fellow supporters sleeping in on your social media accounts using the hashtag #Wheels4Walls.

**3** Tag Our House in your posts (@ourhousega) so your posts can be re-shared on Our House social media accounts (Facebook, Instagram and Twitter.)
